President's Message

Dear AHMO Members,

I hope this message finds you well and energized after our recent annual Texas Municipal League (TML) conference. This year's event was a huge success, with attendees learning the latest trends and strategies through our dynamic concurrent sessions, and many new connections were made during our networking mixer. The House of Blues was filled with both members and non-members alike, coming together to share ideas and strengthen our community.

I am excited to share the news that I have been elected as President-Elect of the Texas Municipal League! It is an incredible honor, and I look forward to serving in this new role. I will officially take office as President during our Annual Conference in Fort Worth in October 2025. I am deeply grateful for the trust placed in me and am eager to represent our organization and its values at the state level.

Additionally, I am thrilled to announce that Lori Lopez from the City of Palmhurst has joined our executive board as the new Secretary. Lori's enthusiasm and dedication will be a great asset to AHMO. At the same time, I want to extend our heartfelt thanks to Rebecca Huerta from Corpus Christi for her many years of dedicated service as Secretary. Rebecca's leadership and commitment have been pivotal to AHMO's success, and we are truly grateful for her contributions.

As we move forward, let's continue to build on the momentum from this conference, working together to uplift our communities and strengthen Hispanic representation across Texas municipalities.

Thank you all for your commitment and engagement, and I look forward to the exciting work we will accomplish together.

Sincerely,

Marissa Ximenez

President, Association of Hispanic Municipal Officials (AHMO)
