## President's Message

Dear AHMO Members,

As we begin a new year, I am inspired by the incredible work we've achieved together and excited for the opportunities ahead. Municipalities are at the heart of every thriving community, and the commitment of dedicated professionals like you ensures that we continue to grow, innovate, and serve our residents with excellence.

This year, we remain steadfast in addressing the challenges facing our cities, from improving infrastructure and delivering essential services to fostering economic development and collaboration with diverse stakeholders. A key focus will be our active engagement in the legislative process. By advocating for policies that support and empower municipalities, we ensure that the voices of our communities are heard and that we continue building a strong foundation for future growth.

I also want to personally invite you to join us at our Spring Conference in April, taking place in beautiful Corpus Christi. This conference will be an invaluable opportunity to connect with colleagues, share ideas, and learn from industry leaders as we explore solutions to improve our cities and strengthen partnerships across all levels of government. Be sure to register early and mark your calendars!

Together, let's continue to lead with integrity, innovate for the future, and strengthen our commitment to the communities we serve. This year holds immense potential, and I am confident that, united in purpose, we will achieve transformative progress.

Thank you for your service, leadership, and dedication to excellence. I look forward to seeing you in Corpus Christi this April!

With gratitude and determination,

Marissa Ximenez

President, Association of Hispanic Municipal Officials (AHMO)

President-Elect, Texas Municipal League
